Greenville, North Carolina

"OUR GREENVILLE, YOURS IF YOU COME"

Greenville, North Carolina, established in 1786, named for General Nathaniel Greene, the Hero of the Battle of Guilford Court House, and the County Seat of Pitt County, is a progressive, educational, residential, trading and agricultural marketing center. In 1957 it embraced an area of 5.98 square miles and is expanding steadily in area and in population.

Greenville is located in North Carolina's Coastal Plain Section, approximately mid-way between Raleigh, the State Capital, and the Atlantic Coast, which is one of the State's most productive agricultural areas.

The citizens, early in its history, were interested in education, establishing Greenville Academy in 1814, and Greenville Female Academy in 1830, and with substantial financial assistance from the County and City, the State in 1907 located East Carolina College in Greenville. Today this Institution has a plant value of $9,250,000.00, a 1957 student enrollment of over 3,500, and offers courses in teacher training and liberal arts leading to Masters Degrees. The College together with the City's accredited public school system provide the facilities for the educational needs of its youth from kindergarten through a Masters Degree from College.

Greenville's 325 retail stores serving a population of 165,000 within a radius of 25 miles had in 1956 a retail trade volume of $34,432,000. It also ranks 11th among the cities in North Carolina, in volume of wholesale distribution.

Greenville is one of the Nation's largest Tobacco Markets, and is one of the two having five complete sets of buyers. Its 19 auction warehouses and processing plants embrace an area of over two and one-half million square feet of floor space devoted to the handling of flue-cured cigarette tobacco.

While in a predominantly agricultural area, Greenville is expanding industrially, having 28 manufacturing plants with principal products including: carpet yarns, dry cell batteries, bottled beverages, bakery products, dairy products, fertilizer, hosiery, insecticides, livestock feed, leaf tobacco, lumber, millwork and meat products.

Its banking facilities have kept pace with the city's growth and there are now five banks, one of which operates branches in 12 other communities in this section. There are two strong savings and loan associations, and a Production Credit Association serving farmers exclusively.

The State's first Baptist conference was organized in Greenville in 1830. Now there are 38 churches, 21 for whites and 17 for Negroes, representing practically all major denominations.

Recreation facilities are comparable to those provided in any community in the area. Greenville's year round municipal recreation program is conducted by a competent trained staff. East Carolina College and the City Schools field excellent teams of baseball, football and basketball.

Hunting in the nearby forests are favorite sports, as well as fresh

water fishing in nearby rivers, the sounds, and inlets, and salt water fishing in the Atlantic Ocean.

Greenville's efficient Council-Manager Government, cultural and educational advantages, modern 140-bed Pitt Memorial Hospital, two score Physicians, Specialists and Dentists, well managed Municipal Utilities, moderate tax rates, equable climate, two railroads, network of paved highways in all directions and other requisites, together with its friendly citizens as expressed by its slogan, "Our Greenville, Yours If You Come," make it a highly regarded city in which to live, rear a family, and work.

PITT COUNTY

Pitt County, of which Greenville is the County Seat, named for William Pitt, the Earl of Chatham, was formed November 25, 1760. Martinborough, established in 1774, located 2½ miles East of Greenville, was its first County Seat. The County's population in 1950 was 63,770.

History relates that the first Masonic Lodge in North Carolina was formed at Crown Point, Pitt County. Iron ore, (although of poor quality), found in Chicod and Pactolus townships, was used for manufacturing purposes during the Revolutionary War. A cotton planter patented in 1867 by Captain Bryant Smith of Falkland, and later improved by J. C. Cox, revolutionized cotton planting.

The governmental affairs of the County, are administered by a businessman Board of five Commissioners. The County School system includes all schools except those in the Greenville district and consists of 14 high schools and 28 grammar schools with a total enrollment in 1957 of 13,242 pupils. Modern buildings and equipment staffed by trained teachers give the county school system a very high rank in the State.

The County maintains an efficient Welfare Department and with Greenville participating, a Health Department and Mental Health Clinic, ranking with the best in the State, located at Greenville, the County Seat.

In addition to Greenville, the County Seat, there are 10 progressive towns in the County including: Ayden, Bethel, Falkland, Farmville, Fountain, Grifton, Grimesland, Pactolus, Stokes, and Winterville.

Pitt County is a veritable agricultural empire. In 1956 it ranked first in the State in gross cash farm income and 69th in the nation's 200 leading agricultural counties, with a volume of $31,343,000 according to the 1957 edition of Sales Management, "Survey of Buying Power".

Principal crops produced are cigarette tobacco, corn, cotton, livestock, milk, peanuts, potatoes, poultry and eggs. Pitt County is the largest producer of flue cured cigarette tobacco in the nation.

This county also is adapted to industry particularly to those using agricultural and forest products. There are 29 manufacturing plants in the County, including lumber which predominates and others making tobacco curers, pickles, hosiery, and farm implements, with a $5,000,000 Flakeboard plant under construction in Farmville.

Commercial recreation includes four motion picture theatres for whites and one for Negroes. The Greenville Golf and Country Club has a challenging 18-hole golf course, on which the mild climate permits year round play.

Deer, duck, quail, geese, squirrel, fox, and rabbit hunting in the surrounding forests are favorite sports, as well as fresh and salt water fishing in nearby rivers, the sounds, and inlets on the coast, and in the Atlantic Ocean.

ORGANIZATIONS maintained include a Chamber of Commerce with full time personnel rendering all service available in larger cities; a Merchants Association operating a Credit Bureau; Junior Chamber of Commerce; Civitan, Exchange, Kiwanis, Lions, and Rotary Clubs; Woman's Club; Junior Woman's Club; Business and Professional Woman's Club; Country Club; Service League; Community Chest; Red Cross Chapter; American Legion and Veterans of Foreign Wars Posts and Auxiliaries; Pitt County Executives Club; and active chapters of practically all important fraternal organizations. The Elks, Masons and Moose Chapters and Rotary Club own their Homes.

GREENVILLE welcomes new businesses and new industries as well as new citizens who desire to make their home in a community where every facility is available for a full and well-rounded life.

Full Information on Greenville and Pitt County will be provided by

THE CITY DIRECTORY

places the city on the map and is its only representative to the world beyond our own gates.

It is the city's catalogue of business and represents the city, its citizens and institutions in every corner of these United States.

It is the logical means of publicity in advertising the city, its manufacturing industries, its advantages and resources.

The men who direct the affairs of progressive and up-to-date business institutions recognize the fact that the City Directory tells the story of the city's life and keeps it before the public as no other publication can or does.

Its Classified Business Section furnishes a list of all trades, professions and pursuits, constituting a special trade directory or buyers' guide and is the best advertising medium on earth.
